WITH GRATITUDE AND APPRECIATION

THE STATE OF NEW HAMPSHIRE
TOWN WARRANT

To the Inhabitants of the Town of Hancock, in the County of Hillsborough in said State qualified to vote in Town Affairs: You are hereby notified to meet at the **FIRE STATION** in said Hancock on Tuesday, the tenth day of March next at eight of the clock in the forenoon until seven of the clock in the evening, for ballot voting of Town Officers and all other matters requiring ballot vote; and, to meet at said **FIRE STATION** in said Hancock, on Saturday, the fourteenth day of March next at nine of the clock in the morning, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To see if the Town will vote to raise and appropriate the sum of $1,022,049.00 which represents the operating budget, inclusive of the Water Department operations. Said sum exclusive of all separate articles addressed; or take any other action relating thereto.

3. To see if the Town of Hancock will vote to approve the purchase of the Mary Garland property located on Route 137 north, between the town fire department land and the town land housing the new elementary school and recreation area, at an amount not to exceed one hundred fifty thousand dollars ($150,000); and to raise and appropriate the sum of one hundred fifty thousand dollars ($150,000.00) for said purpose; and, authorize the issuance of not more than ninety-one thousand dollars ($91,000.00) of bonds or notes in accordance with the provisions of the Municipal Finance Act and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the withdrawal of the full amount of the balance remaining in the Kepner Trust Fund; or take any other action relating thereto. Selectmen recommend this appropriation. (2/3 ballot vote required).

4. To see if the Town will vote to raise and appropriate up to thirty-three thousand eight hundred twenty-seven dollars ($33,827.00) to upgrade South Elmwood Road; and, to authorize the transfer of $19,646.00 of the December 31, 1997 fund balance for this purpose; the balance to be raised by taxation. This will be a non-lapsing account per RSA 32:3,VI and will not lapse until the project is completed or within two years, whichever is less; or take any other action relating thereto. Selectmen recommend this appropriation.

5. To see if the Town will vote to raise and appropriate up to eighteen thousand eight hundred dollars ($18,800) to modify the existing temporary classroom at the Hancock Elementary School for the purpose of housing the Hancock Police Department; and, to authorize the withdrawal of $18,800 from the December 31, 1997 fund balance for this purpose. This will be a non-lapsing account per RSA 32:3,VI and will not lapse until modifications are complete or in two years, whichever is less; or take any other action relating thereto. Selectmen recommend this appropriation.

6. To see if the Town will vote to raise and appropriate up to seventeen thousand two hundred dollars ($17,200.00) to install a lift at the Town Highway Garage to give a safer work area to repair town vehicles; and, to authorize the transfer of $17,200 of the December 31, 1997 fund balance for this purpose; or take any other action relating thereto. Selectmen recommend this appropriation.

7. To see if the Town will vote to raise and appropriate the sum of five thousand dollars ($5,000) for the purpose of starting a staffed summer recreational playground program; or take any other action relating thereto. Selectmen do not recommend.

8. To see if the town will raise and appropriate up to four thousand dollars ($4,000.00) to upgrade the bridge on Depot Road; and, to authorize the transfer of $4,000 from the December 31, 1997 fund balance for this purpose; or take any other action relating thereto. Selectmen recommend this appropriation.

9. To see if the Town will vote to raise and appropriate up to three thousand six hundred seventy five dollars ($3,675.00) to modify the existing elementary school building for town offices; and, to authorize the withdrawal of $3,675 from the December 31, 1997 fund balance for this purpose; or take any other action relating thereto. Selectmen recommend this appropriation.

10. To see if the Town will vote to raise and appropriate up to three thousand one hundred dollars ($3,100.00) to repair the roof on the South side of the fire house; and, to authorize the transfer of $3,100 from the December 31, 1997 fund balance for this purpose; or take any other action relating thereto. Selectmen recommend this appropriation.

11. To see if the Town will vote to raise and appropriate the sum of one thousand five hundred dollars ($1,500.00) to modify the entrance to Depot Road to become one-way westerly from Route 123 to the intersection with Cross Street; and, to authorize the transfer of $1,500 from the December 31, 1997 fund balance for this purpose; or take any other action relating thereto. Selectmen recommend this appropriation.

12. To see if the Town will vote to discontinue Davenport Road from the Route 123 intersection North to the driveway into the Davenport residence; and, to transfer ownership of that section of road back to the abutters; or take any other action relating thereto.

13. To see if the Town will vote to discontinue the current Class VI section of Old Town Road, which starts at the point where the private road to summer cottages bears right and continues southwesterly to the Nelson town line; and, to transfer ownership back to the abutting landowners; or take any other action relating thereto.

14. To see if the Town will authorize the Selectmen to work with the First Congregational Church to create landscaped handicap accessibility to the Hancock Meetinghouse; and, to install a sprinkler system within the Meetinghouse. The funds for the access and sprinklering will be derived from private donations. No tax dollars are being requested for these Meetinghouse projects. Or take any other action relating thereto.

15. To see if the Town will vote to open to Class V status 500 feet of the westerly portion of Fairfield Road (from Route 123 to a point approximately 30 feet past the entrance to the Danforth residence. This portion of Fairfield Road was brought up to Town specifications of a Class V road in 1997, by its residents; or take any other action relating thereto. BY PETITION.

16. To see if the Town will vote to raise and appropriate up to nine hundred dollars ($900.00) for the purpose of repairs and replacement of beach and ballfield equipment; and to authorize the withdrawal of this sum from the Hancock Recreation Fund (Revenue Fund) established for this purpose at the 1993 Town Meeting to fund this appropriation; or take any other action relating thereto. {No budget impact} Selectmen recommend this appropriation.

17. To see if the Town will vote to raise and appropriate up to Four thousand nine hundred forty-one dollars ($4,941.00) for the purpose of repairs and replacement of police equipment and authorize the withdrawal of this sum from the Hancock Police Equipment Repair/Replacement Fund (Revenue Fund) established for this purpose at the 1993 town meeting; or take any other action relating thereto. {no budget impact} The Selectmen recommend this appropriation.

18. To see if the Town will vote to raise and appropriate up to ten thousand dollars ($10,000.00) for the purpose of purchasing the necessary materials and paying for data entry to do further work on the Hancock genealogy, and authorize the withdrawal from the Hancock History Fund (Revenue Fund) established for this purpose at the 1993 town meeting; or take any other action relating thereto. The Selectmen recommend this appropriation. {no budget impact}

19. To see if the Town will vote to raise and appropriate up to twelve hundred dollars ($1,200.00) for the purpose of purchasing baseball equipment and doing maintenance and repairs to the ballfields, and authorize the withdrawal from the Hancock Baseball Fund (Revenue Fund) established for this purpose at the 1997 town meeting; or take any other action relating thereto. Selectmen recommend this appropriation. {no budget impact}

20. To see if the Town will vote to rescind the authorized and unissued bonds or notes balance of $39,000 remaining from Article 6 of the March 18, 1995 town meeting. This represents the unissued balance of funds authorized for the purchase of the pumper fire truck; or take any other action relating thereto.

21. To see if the Town will vote to rescind the authorized and unissued bonds or notes in the amount of $30,000 from Article 17 of the March 14, 1992 Town Meeting. This represents the funds authorized but unissued for repairs to the Meetinghouse steeple; or take any other action relating thereto.

22. To see if the Town will vote to rescind the authorized and unissued bonds or notes balance of $25,000 from Article 6 of the March 13, 1993 Town Meeting. This represents the balance remaining authorized but unissued for modifications to the Hancock Water System; or take any other action relating thereto.

23. To see if the Town will vote to authorize the Selectmen to accept the reports of auditors and committees as printed in the Town Report; or take any other action relating thereto.

24. To transact any other business that may legally come before said meeting.

Given under our Hands and Seal, this 10th day of February in the year of Our Lord Nineteen Hundred and Ninety-eight.

SUMMARY RECONVENED TOWN MEETING - MAY 3, 1997

BALLOT vote to authorize Selectmen to enter into all necessary agreements with the Conval School Board for the siting of the new elementary school on town owned property as substantially shown in Option #5 of the building proposal presented by the Hancock School Study Committee with specific recommendations. YES-275 NO-49.

SELECTMEN'S REPORT

For the eighth consecutive year from 1990 through 1997, we are proud to report that we have successfully maintained a flat town tax rate. In addition, for 1998, we are proposing a budget including warrant articles that will continue a flat town tax rate for a ninth year. These results have been achieved because the town staff and the many volunteer committees have maintained close control over costs. In addition, we have benefited from increased revenues from motor vehicle registrations, timber yield taxes and land use change taxes. As a result, we have been able to increase expenditures for police services, highway maintenance and other town services with no increases in town property tax rates.

Another important issue concerning the location of the new Hancock Elementary School was successfully settled at a special town meeting on May 3. On March, the regular town meeting rejected a proposal by the Conval School Board to locate the new elementary school in the north-west section of the Knowles-Stewart field instead of the site of the old high school as originally planned. The March meeting voted to refer the matter to a special study committee and to reconsider the issue at a special town meeting on May 3. The Study Committee, chaired by Linda Renna, conducted a series of public meetings to review the merits of the two possible sites and finally recommended approval of the site proposed by the School Board and its architect. The special town meeting overwhelmingly approved the committee's recommendation. Demolition of the old high school began in July and construction of the new school started in mid-September.

To vacate the old high school, the town office staff with the assistance of the Conval maintenance department successfully moved the town offices to the Hancock Depot. The Depot, which had generously been made available by the Depot Association, will serve as a temporary location of the town offices until they can be moved into the present elementary school in the final quarter of 1998.

By year-end, two agreements had been successfully negotiated and signed by the selectmen and the Conval School Board. One agreement concerned the alterations and modifications to be made by the School Board to prepare the present elementary school for use as the town offices.. The other agreement concerned the payments by the School Board for the costs of moving the town offices and for the temporary use of the Hancock Depot. At year-end, two additional agreements have been signed by the selectmen but are still awaiting approval by the School Board and the Hancock Depot Association. The first agreement concerns the provisions for the leasing of the site of the new elementary school on the Knowles-Stewart field. The other agreement concerns the temporary use of the Hancock Depot as the town offices.

Another major 1997 project was the revaluation of all Hancock properties by the NH Department of Revenue Administration, Property Appraisal Division. The last revaluation of Hancock properties was completed in 1987, so the new reevaluation was undertaken to update and to realign Hancock values more equitably with those of other Conval towns. During the past few years, property values in other Conval towns such as Antrim, Bennington and Peterborough have declined. As a result, upward pressure has been exerted on the school portion of Hancock property taxes. To correct for this

inequity and to realign property values within Hancock, selectmen had recommended a revaluation. Contrary to our expectations, however, the reappraised values of Hancock properties rose from $112,051,324 in 1996 to $116,749,803. in 1997 or about four per cent. This will create a further upward pressure on the school portion of Hancock's property taxes. It, therefore, becomes even more important for all of us to urge the Conval School Board to increase its efforts to control school costs.

At year-end, Hank Query retired after eight years as road agent. During Hank's service, in addition to providing the necessary annual road maintenance and keeping the roads free of snow and ice, Hank and the Highway Department completed a number of important highway projects. These included the construction of a timber bridge on Robinson Road, major repairs to Windy Row bridge as well as repaving Hunts Pond Road, Kings Highway, Tannery Hill, Vatcher and Windy Row. A longtime Hancock resident, Query also served for almost 20 years in the Fire Department. After serving as a firefighter for several years, Hank was subsequently elected Second Assistant Fire Chief and then elected First Assistant Fire Chief, a position he held for many years until his retirement in 1993.

As of February 1, 1998, Kurtis Grassett of Milford has been appointed road agent to succeed Query. The Grassetts, Kurtis, Jennifer and five-year old Kody, plan to move to Hancock during 1998.

Once again, we wish to express our appreciation for the excellent work performed by the town staff. Their work plus the volunteer services of Hancock residents on the numerous town committees enable us to keep Hancock a town of which we can be rightfully proud.

INDEPENDENT AUDITOR'S REPORT

To the Members of the
Board of Selectmen
Town of Hancock
Hancock, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Hancock as of and for the year ended December 31, 1997 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Hancock has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Hancock, as of December 31, 1997, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of Town of Hancock taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Hancock. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

HANCOCK TOWN LIBRARY
TRUSTEE'S REPORT

Isak Dinesen once observed that our ancestors were noble to have walked among waist-high, stick-size elms, knowing that the next generation would walk in shade. The donors to the Hancock Town Library have shown a similar selfless dedication to the future. Their gifts have made the library one of the state's best. Each time we use the library, we are benefiting from their generosity.

We have been strolling under the big trees of the library's trust fund for many years. Now we have begun to plant again. With some trepidation the trustees sent out the first fund-raising appeal in the library's history. The response was enthusiastic and heartfelt. And for this we say thank you.

Since the appeal was launched on Old Home Day in August, Hancock residents have donated $18,620. In addition an anonymous $25,000 donation for the children's room came in during the campaign.

The donations will increase the trust fund, insure future services and eventually open the library more hours each week.

We are grateful to friends, past and present. Icy Lent, a great friend to the library and former librarian, died this year. Icy once wrote, rather fancifully, of an after-hour visit to the library. The place was astir. She saw Charles Dickens arguing with James Michener; John Hersey chatting with Lillian Hellman. She heard Beatrix Potter saying, "I am happy that children still read my little books, but some of these must be sent for rebinding. See how the spines are cracked and the threads broken." Not all of the talk was this cordial. Isaac Asimov pointed a finger at Alfred Noyes, demanding, "'The moon was a ghostly galleon tossed upon cloudy seas' -- what sort of nonsense is that?" The library cleared out when Plato gave a slide show in the basement and everybody went "to see what is real and what is not."

For readers, libraries are like that. They are places packed with life, noisy bazaars even in silence.

The board of library trustees is a group of citizens to whom the public library is entrusted. They are vested with the custody and management of the library. The trustees select a library director, adopt policies to govern the library's operation and work for adequate financial support of the library. The director carries out policies set forth in the Policy Statements and serves as administrator of the library.

The duty of the elected board of trustees and the appointed librarian is to serve the town. This can be done only if the residents of the town make known their desires.

As director of the library, I encourage you to share your ideas concerning the future of the library. What services do you want the library to provide? What can we do to make the library serve your needs better? The trustees and I want this information to help us plan for the future.

If everyone who reads this report would take the time to write a note or speak to one of the trustees or to me, we would have a better sense of what you want from the library in the future. Howard Mansfield, Linda Renna, Sara Dowse and I look forward to hearing from you.

Patricia Briggs, Director

WATER COMMISSIONERS' REPORT

This was a record year in water consumption, more than 24 million gallons passed through the system during the 12 month period. During the long dry period in June, July and August, the usage was extremely high. Some days the usage exceeded the calculated safe daily yield of Juggernaut Pond by 40,000 gallons which is cause for concern about overtaxing our water supply. The water level in the pond dropped about 3 1/2 feet over the summer. We normally experience about a 2 foot drop over the summertime periods. We will be issuing a notice along with the June statements requesting restraint in water consumption over the summer. Juggernaut provides an ample supply of water for the town but it is not unlimited.

We received a letter from the state stating that we had successfully completed the first round of testing for lead and copper in the system and would not be required to perform more testing until the year 2003. We also received a waiver for certain chemical tests on raw water due to the location of Juggernaut and it's protected watershed. This means a savings of approximately $900 in testing fees yearly. Department of Environmental Services performed its three year sanitary survey of the Hancock system this year and found it to be properly operated and maintained, and in compliance with all applicable rules and regulations.

INDEPENDENT AUDITOR'S REPORT

To the Members of the
Board of Water Commissioners
Town of Hancock
Hancock, New Hampshire

We have audited the accompanying summary statement of water rent accounts for the period January 1, 1997 through March 11, 1997. This financial statement is the responsibility of the Water Rents Collector. Our responsibility is to express an opinion on the financial statement based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the summary of water rent accounts for the period then ended.

HANCOCK FIRE DEPARTMENT

The Fire Department responded to 92 calls in 1997. We had 2 structure fires, 5 chimney fires, 6 brush fires, 1 good intent call, 10 automatic fire alarms, 2 wires down, 38 rescue calls, 10 motor vehicle accidents, two of which involved school buses, and 18 mutual aid calls to other towns.

We would like to welcome our two newest members, Jon Grosjean and Jeff Robidoux, to the Department. Richard Patton, Glenn Cuddy and Eric Scott have resigned from the Department this year. We thank them all for the service they have given and wish them the best of luck.

Robert Kierstead has retired after giving more than 28 years of dedicated service to the town; 22 of those as Fire Chief. The people of Hancock have benefited greatly from Bob's years of service. I would like to personally thank Bob for all that he has done for us and all that he has taught me. Good Luck and Happy Retirement, Bob.

Training, again, is taking more and more of our time. This year members have put in more than 1200 hours to the Fire Department. This shows the dedication of our members who fit in these extra hours between work and family.

Bonnie Skerry and Richard Broderick have each completed over 140 hours of training to get their Emergency Medical Technician Certification. David White along with Bonnie and Richard have completed the training for not only the Firefighter Level One Course, but along with Phil Mathewson and David Skerry went on to complete the Career Level Course. To all of you, Congratulations.

This past November, we put out a Newsletter to let you know what has been going on in the Department. We hope that you found some useful information in it. The Newsletter will be distributed in November and June, if you have anything that you would like to contribute to the publication, please let us know.

We would like to thank all that have assisted us over the past year, the Ladies Auxiliary, Police Department, Highway Department, Barbara and Wendy, the Board of Selectmen and Fiddleheads Cafe for the goodies that you donated to our meetings.

A big Thank You goes to all the residents of Hancock for your continued support.

Respectfully submitted,
Linden P. Joseph, Chief
Michael Cass, 1st Asst. Chief
Philip Mathewson, 2nd Asst. Chief

REPORT OF THE HANCOCK DUMP COMMITTEE

The Hancock Recycling Center had another successful year in 1997. Thanks to the efforts of Hancock residents to separate recyclables from the waste steam, we were able to recycle approximately thirty-five percent of the materials from household trash. These efforts pay off by producing some revenue from the sale of the materials, by avoiding some of the cost of solid waste disposal, and by saving space in New Hampshire landfills. Everyone is urged to do their best to maximize this effort.

The following materials are recycled at the Hancock facility: glass containers, plastic containers, newspapers, magazines, corrugated cardboard, kraft paper, mixed office paper, aluminum cans, steel cans, used clothing, metal, tires, compostables, and used oil. Used oil from do-it-yourself oil changers is collected and utilized by the Highway Department to heat the town barn on Bennington Road. Enough oil is collected throughout the year to keep the town barn heated without having to purchase fuel oil.

The State of New Hampshire, through the Department of Environmental Safety, provides grant money to assist municipalities in the installation or improvement of used-oil collection facilities. During the fourth quarter, a grant of $2,500 was obtained which was used to replace the tired furnace at the town barn and to purchase two new secondary containment vessels for oil collection at the Dump.

In April of this coming year, there will be a household hazardous waste collection day. This event will be held in conjunction with the Recycling Center of the Town of Peterborough. Watch for information on this in the coming months.

Many thanks to Barbara Caverly, Wendy Brennan, Hank Query and the Highway Department, and to Cathy Smith, Ken Blood and Bill McCormick who work hard all year to make the Hancock Dump a friendly and smoothly operating facility.

Respectfully submitted,

Hancock Dump Committee

HANCOCK PLANNING BOARD

The Master Plan was updated and completed early in the year. The Master Plan Committee recommended a committee be formed to study home occupations and light industry. The Planning Board is pleased to have Jon Grosjean and Jack Roper, Planning Board members, and three volunteers from town, namely, Doug Bowen, Laurie Bryan and Roberta LaPlante working on this project. They will present their findings and recommendations to the Planning Board for review.

The amendment to the Zoning Ordinance, brought by petition, to allow cafes in the residential district, was approved at Town Meeting. As a result, the Fiddleheads Cafe opened on Main Street, and was a welcome sight to those who lost electric power in the January 1998 ice storm.

The board held the following hearings in 1997:

1. Approved 2 boundary line adjustments
2. Approved 3 subdivisions
3. Approved 4 voluntary mergers
4. Held 4 public hearings
5. Held 2 site plan reviews
6. Held 3 preliminary hearings

A busy year!

HANCOCK GENEALOGICAL COMMITTEE

The Hancock Genealogical Committee continues to accumulate information about past and present residents of Hancock. The historic house and building photography project initiated last year is also still in progress. We know of many genealogy forms that still need to be completed and returned which would greatly decrease duplication of effort and expense on the part of the committee. Anyone who has not received a form but who would like to complete one is welcome to contact Liz Weston at P.O. Box 222 in Hancock. Our goal is to publish one or more volumes containing the genealogical information that has been accumulated since the 1930's. We also recognize the enormous historical and genealogical research value of the documentary materials gathered to date and are hoping in the near future to locate a safe and publicly accessible repository for their storage. The committee receives many inquiries from genealogical researchers all over the country who have been able to benefit from the wealth of data so far accumulated by this project to access information about their own ancestors that was previously unavailable. Anyone interested in volunteering for an interesting, short-term project to help organize available information is encouraged to contact Liz at P.O. Box 222.

CEMETERY TRUSTEES REPORT

1997 has been a year of change for the cemeteries. We have begun the project of landscaping Hillside Cemetery. This is the first step in our plan to address the stark conditions of this cemetery, and to respond to the numerous requests for improvement.

After two seasons of having the three cemeteries professionally mowed and maintained, we have reviewed the quality of the work received, and with the positive feedback we've been getting from the residents of the town, we feel that having the cemeteries professionally maintained is the right avenue to pursue.

This year we were very fortunate in two generous donations to help expedite the landscaping project. They will help us to achieve our goal much sooner than expected.

WELFARE OFFICER'S REPORT

This year $2,820.00 was expended for welfare on behalf of qualified applicants. The major categories continue to be housing, food and fuel. The Federal Fuel Assistance Program continued to be funded, which is of great significance to New Hampshire.

Thank you to the individuals, organizations and other donors who have given so generously to the Hancock Helping Hands Fund during the year. The fund expended $12,109.00 to help Hancock residents with food, clothing, Christmas gifts, medical bills, fuel, eye glasses and other expenses. Many of those helped over the years have become donors themselves, as their situations allow. Our community continues to be a place of caring.

Wendy R. Brennan

COMMON COMMISSION

Your commissioners had a relatively easy year workwise as the summer was dry and the grass grew slowly. The oak and maple leaves fell late and the snow came early so come spring we may have some extra cleanup work to do. . The band stand steps did get new paint.

We were successful in finding a company in Nashua to look at the fountain. It is in better shape than we thought. There is some concern for the basin bottoms, not their centers. Hank Query found pinholes some years back which he patched with metal filler. The patches are covered with several layers of paint. The recommendation is to sandblast the entire fountain down to the bare metal and put on several coats of a Devcon polymer primer to seal the surface. Needless to say, we are concerned that the sandblasting be done carefully and Ray Pierce has agreed to put on his Navy hat and ask the Portsmouth Navy Yard to do the blasting. The fountain may be 100 or more years old and it deserves all the TLC we can give it.

The second unfinished project is thinking through options when the town offices move to the schoolhouse. How can we best incorporate the land in from of the "new Town Hall" into the Common? We have two state roads involved at the edges and a need for the church parking so it will not be easy, but this will be a special opportunity if we want to pursue it.

Last, but not least, we thank you for adding flowers and picking up litter. If a few of the younger generation would pick up, and not beat up, the bandstand, your Common would be happier.

RECREATION COMMITTEE

1997 has been an interesting year for the Hancock Recreation Committee. We continue to sponsor many activities, including gymnastics, aerobics, a running/road race program,, an ecology awareness club, a successful summer concert series held in the center of town, art classes that are ongoing for a range of ages, bus trips and tours, the Winter Frolic, and the Hancock Happenings Calendar which keeps you posted on various activities occurring in town.

Some notable happenings include spending an inordinate amount of time discussing and "policing" the Multi-purpose court. Many infractions and confrontations that were deemed unacceptable per town liability laws pulled constantly at this committee's agenda. Indeed, due to the somewhat divisional enforcement policy of the posted rules at this court, we regretfully lost a valued member of our committee. At this time we as a committee wish to thank Martha Blanchette for her boundless energy and dedication to the town of Hancock's recreation and social agenda. While Martha chaired this committee, the multi-purpose court was planned and built, the beachfront revitalization was planned and initiated, countless trips and tours were offered, and somehow Martha also attended to being a full-time Mom with many other outside interests. Thank you so much for all of this excellent effort!! We hope that you will come back anytime and help us out.

Our storage shed was burned and it was not an accident. Do you remember the old shed behind the baseball field? That shed had to be removed due to the site preparation for the new elementary school. Although the shed was not in any great shakes it did have a roof and a quantity of our field equipment stored in it. We were given an evacuation deadline before the Hancock Fire Department used the building for a controlled burning demonstration. We cleared the shed and dispersed the contents to various places around town with nary a day to spare. The Fire Department proceeded to slowly burn the shed over the course of a few hours and judging from the crowd assembled there, this was a very successful event.

This committee would like to thank all of the "Friends" of recreation who make many of the events and activities that we all take part in possible. As you know, without the expertise and passion of those that want to share their interests, this committee would have a blank agenda. We would also ask for support during this building (new school) and rebuilding(new committee members) interim. There will be a lot of unfamiliar territory to explore within the bounds of this committee. Once again, thank you so much to those that model good sportsmanship, camaraderie, and a sense of fairness that is carried on and off of fields and courts. We know that it is possible to play hard, attend to the rules and still have fun.

This committee meets the 1st Thursday of each month at 7:30 P.M., we have been meeting in the church vestry during the town office transition. Please feel free to join us with comments or concerns.

HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES
REPORT TO THE TOWN OF HANCOCK
JANUARY 1, 1997 TO DECEMBER 31, 1997

ANNUAL REPORT

In 1997, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Hancock. The following information represents a projection of HCS's activities in your community in 1997. The projection is based on actual services provided from January through October 1997 and an estimate of usage during November and December.

SERVICE REPORT

SERVICES OFFERED	SERVICES PROVIDED	SERVICES SUPPORTED PARTIALLY OR TOTALLY BY THE TOWN
Nursing	192 Visits	1 Visits
Child Health Nursing	3 Visits	3 Visits
Physical Therapy	15 Visits	0 Visits
Speech Therapy	0 Visits	0 Visits
Occupational Therapy	0 Visits	0 Visits
Medical Social Work	0 Visits	0 Visits
Nutritionist	0 Visits	0 Visits
Home Health Aide	200 Visits	3 Visits
Homemaker	61 Hours	61 Hours
Health Promotion Clinics	4 Clinics	4 Clinics

Total Unduplicated Residents Served: 37

In addition to the above listed activities, regularly scheduled blood pressure clinics, child health clinics and telephone consultations were made available to your residents throughout the year. Town funding, in part, supported these additional services.

FINANCIAL REPORT

The actual cost of all services provided in 1997 with all funding sources is projected to be $26,143.40.

The total cost of services provided for a partial fee, or at no charge to residents in 1997 is projected to be $1,882.90 for home care.

For 1998, we recommend an appropriation of $4,000.00 to continue home care services at the current level.

Thank you for your consideration.
